

“DINING IN THE DARK”

The 14th Annual Dining In The Dark benefitting the Florida Outreach Center for the Blind, Inc.

What is it?

The “Annual Dr. Thomas Hartig Dining in the Dark” is a unique event to raise awareness about blindness and raise funds for the local not-for-profit agency serving visually-impaired people, **Florida Outreach Center for the Blind (FOCB)**. This event honors Dr. Thomas Hartig who brought newspapers via the telephone to blind and visually-impaired persons across the country. He was an inspiration to us all.

What happens at the event?

You experience food, drink and conversation as you may never have before while **Dining In The Dark**. Your remaining senses are enhanced to savor the smell, texture and taste of your meal. Your conversation becomes more intimate and interesting with those seated at your table. Your imagination is stimulated and you better understand what blind individuals encounter throughout their daily lives.

When and where will this take place?

The Florida Outreach Center for the Blind, Inc. will be hosting **Dining In The Dark** from 5:00-8:00 PM on Sunday, October 16, 2022 at West Palm Beach Marriott, 1001 Okeechobee Blvd., West Palm Beach, FL 33401.
